About

ABI Interiors

ABI is dedicated to creating high-end tapware, fixtures and other space-transforming accessories. With a focus on innovation, durability and thoughtful design, our products are made using world-class technology and processes, with up to 25-years warranty.

The Australian family-owned business originated in 2016, after identifying a gap in the market for beautiful, high-quality coloured tapware. Since then, ABI has expanded internationally and offers an extensive range of interior products in

a variety of signature finishes, and are recognised today as Australia's premier creators of architectural products.

ABI is driven by a purpose that together we will enrich lives by enriching spaces. We are committed to creating products that extend beyond beautiful design, to solve problems and add value to lives. Guided by our values of Quality, Trust, Innovation, Passion and Responsibility, our vision is to be the world's most loved creators of thoughtfully designed products.

Product Construction

Our main construction materials are DR solid brass, 304 and 316 stainless steel.

Solid brass is commonly used for residential purposes (e.g. throughout the home) and is constructed from DR solid brass.

Stainless steel is used more in non-residential environments (e.g. high traffic locations like public bathrooms) and is made from 304 stainless steel. We also have 316 grade stainless steel which is for outdoor use. Stainless steel is also regularly used in areas that require more durability (e.g. kitchen sinks, floor wastes etc).

Whilst solid brass and stainless steel products are treated using the same finishing process, the difference in construction materials means there may be slight variations in the colour and overall wear of the finish. All ABI Interiors products can generally be used in residential and non-residential settings unless a specific standard dictates otherwise.

They then undergo one of the following colour treatments to complete the finished product:

- Advanced Electroplating Application (AEA)
- ABI's HeatShield – Industrial Grade (PVD) Electro Colouring System
- PrimeShield Lacquer Technology (PSLT)

Product Finishes

SOLID BRASS

Brushed Nickel (PVD) Matte Black (AEA) White (PSLT) Brushed Brass (PVD) Brushed Gunmetal (PVD) Brushed Copper (PVD)

Product Care Guide

TAPWARE, SHOWERWARE, ACCESSORIES, STAINLESS STEEL SINKS, WASTES, SHOWER CHANNELS, GLASS AND DOOR HARDWARE

CLEANING AND MAINTENANCE

- Use natural cleaning products only and no abrasive cleaning cloths.
- Weekly cleaning with warm soapy water and a microfibre cloth is recommended.
- Dry after each use to reduce watermarking and surface rust.
- Use diluted toothpaste and water for hard to reach places and to restore the vitality of the finish.
- When cleaning, wipe in the direction of the brushed grain to maintain the brushed appearance.
- For renovations and new builds, flush pipes before first use.
- To best maintain finish, do not let water pool.

BASINS, BATHS

CLEANING AND MAINTENANCE

- Clean any marks or stains as soon as they occur.
- Clean with warm soapy water and a microfibre cloth to remove most markings or a cream-based cleanser.
- Solid surface is easy to maintain using natural cleaning products.
- For matte white solid surface products, fine grade sandpaper can be used to remove stains or markings in some instances.
- Magic sponge with water.

NATURAL STONE BASINS

CLEANING AND MAINTENANCE

- For natural stone seal with a natural stone sealant prior to first use, repeat if necessary.
- Regularly clean with a natural detergent or stone soap.
- Thoroughly rinse with clean/clear water and then dry the surface with a soft cloth.

CAUTION - APPLICABLE FOR ALL ABI PRODUCTS

- Do not use chemicals or abrasive cleaners. This includes:
 - Bleach and bleaching agents
 - Ammonium and ammonium agents
 - Highly acidic cleaners
 - Alcohol and mineral-based solvents
- Limit exposure to high levels of salt.
- If your product comes into contact with any of these chemicals, rinse immediately with warm soapy water.
- Avoid scourers and rough brushes for cleaning.
- Avoid contact with sharp objects which could chip or scratch the surface.
- Do not put heat directly on surface.

Warranty

UP TO 25-YEARS LIMITED RESIDENTIAL WARRANTY

ABI Interiors offers up to 25-years limited warranty for residential customers subject to our warranty terms and conditions.

UP TO 10-YEARS LIMITED NON-RESIDENTIAL WARRANTY

ABI Interiors offers up to 10-years limited warranty to non-residential applications of our products subject to our warranty terms and conditions.

WARRANTY COVERAGE

Both ABI Interiors' Residential Warranty and Non-Residential Warranty offer coverage in relation to a product's:

Structure – including its construction, material and assembly;

Finish – including the product's coating and external appearance; and

Cartridges – where a product contains cartridges, ABI Interiors' warranties cover faults in those cartridges.

You can view our full warranty terms and conditions on our website: abiinteriors.global/warranty/

ALL ABI INTERIORS PRODUCTS ARE TESTED AND CERTIFIED TO MEET ALL REQUIRED STANDARDS IN THE MARKETS IN WHICH WE OPERATE.

Our tapware is certified under AS/NZS 3718 : 2005.
WaterMark Licence: WM- 022852.
